▶ Michel-Ledoux Ecocentre

1000 Léon-Trépanier St. • 819 822-6010

▶ Rose-Cohen Ecocentre

365 Pépin St. • 819 822-6033

What to do with old textiles?

DID YOU KNOW

The global textile industry is currently based mostly on a linear model: extraction, processing, use and disposal. It is estimated that more than half of fast fashion is used and discarded within a year. Every second, it's the equivalent of a garbage truck full of textiles heading to landfill or incineration.
